LAKE SCUGOG FRESH AIR CAMPS

ARE CONDUCTED by the UNITED CHURCHES OF our three Toronto Presbyteries and York Presbytery, so that the under-privileged babies, mothers, boys and girls, from the downtown slums and poorer sections of our suburbs may be taken from the heat and the dirt and the noise and the sordidness of their year-round surroundings to the cool, clear, bracing air, the sunshine and the substantial food to be found at LAKE SCUGOG'S 300 acres devoted to this very much worth while and practical Christian service.

ON THE EAST SIDE of Lake Scugog, sixty miles from Toronto are located the two camp units, each serving 80 campers and being used by 4 different groups during the season making 700 mothers, boys, girls and tiny tots happy during the summer months. These camps have been serving the mothers and children from downtown Toronto for more than thirty years.

THE SOUTHERLY UNIT is clustered around the old farm-house, and is known as Scugog South Camp (under the supervision of Mr. John Haddad, the Executive Director of St. Christopher House), while Scugog North Camp, about a half-mile away, is under the direction of Rev. Michael DiStasi, of St. Paul's Italian United Church.

\$16.00 SENDS A MOTHER to camp for 12 days respite from her downtown house work

\$16.00 SENDS A BOY OR GIRL from a deserving family to camp for 12 days.

All children ought to be familiar with the open country. They should know the joy of playing in healthful mud, of paddling in clean water, of hearing roosters call up the sun and birds sing praises to God for a new day.

For the children in the poorer downtown sections of Toronto, we covet an experience at camp. For every youngster who lives in the crowded and sweltering streets of this great city - we would covet green woods, lakes, bird calls, quiet sunsets - that his young heart may be warmly aware of a Creator who has made "all things beautiful in their time."

WON'T YOU HELP GIVE THESE BOYS
AND GIRLS AN EXPERIENCE IN CAMPING

Recreation Hall

*"Twelve days at Camp - and every day
To swim and bike, to romp and play,
And breathe the clover's odor sweet
And feel the grass beneath one's feet,
Twelve days at Camp, with lots of food -
Could anything be quite as good?"*

This worthy work needs the hearty support of all United Church people in Toronto, as individuals and groups... May we suggest that you place your contribution in an envelope, mark it for "LAKE SCUGOG FRESH AIR CAMP FUND" and mail it to
