Christmas greetings and blessings for 2016, from the Directors and Staff of Toronto United Church Council!

Council's *Child In Our Midst* concert on December 14th named the Massey Centre's stellar work with young mothers and children as a sign of light and hope in our sometimes anxious and gloomy world. Thank you for the ministries in which you are engaged, for they are also among those signs of light and hope that are so needed today.

The Toronto United Church Council has been privileged to share in God's mission and ministry through your congregational ministry, through the social ministry offered by congregations and church organizations, through fresh air camping for young people, and the search for new expressions of church mission in the growing communities of south central Ontario.

This Christmas season, we are grateful that through you, God's love, made real and visible in Jesus, is offered to the world. We give thanks that The Toronto United Church Council is sometimes privileged to share in revealing God's love through the resources we connect to those ministry endeavours.

We look forward to new opportunities to partner with you
in God's movement of grace and love in the coming year!

Susan Smith (President)

Ron Ewart (Executive Director)
